By signing, I understand that submitting an application for the Residencia de Estudiantes does not guarantee an assignment to this program and that all applicants must be approved by the Spanish Department. I also understand that the main purpose of the Residencia de Estudiantes program is to enable students to gain, maintain and improve fluency in the Spanish language by using it as their primary means of communication with Residencia de Estudiantes residents. I understand that the use of Spanish is obligatory at all Residencia de Estudiantes activities and events. I agree to participate fully in the cultural and social activities of the Residencia de Estudiantes, including taking meals regularly with the other residents in the dining room. I understand that I am required to enroll in the one credit Residencia de Estudiantes course in the fall (information on enrolling will be sent during the summer).

Application Instructions:

There are different application instructions based on your student classification:

- 1. Current University Housing Resident:** If you are interested in returning to the halls for 2025-26, you will need to complete your Notice of Intent in My UW Housing between October 22 and October 28. If you are allotted a room selection time, complete your language program application by October 28, and are accepted to the program, you will be able to select your room as soon as November 4/5, depending on your room selection timeslot. Students who submit an application after October 28 may still be eligible for a language program, but may not be able to select a space on the first selection days. For the most up to date information about the room selection process, please visit our website [here](#).
- 2. New UW-Madison Student:** You must receive a housing contract AND apply for the Residencia de Estudiantes program.
