UWNET SUPPORT

For support, call the DoIT Help Line at **(608)–264–4357** or **help@doit.wisc.edu**. An agent will create a case for you and will work with you to resolve the issue over the phone.

If they cannot resolve your issue over the phone, your case will be escalated to the Technology Services office and a technician will contact you to resolve your issue, which may include coming to your room to help you get connected.
