Laundry facilities are located in the lower level of Chadbourne.

COED BY WING (first floor)

Women and men live on the same floor. However, there are divisions via features such as stairwells, elevators, lobbies, or hallway doors. There are separate bathrooms for men and women on each floor.

MIXED COED FLOORS (second – fifth floors)

Women's and men's rooms are integrated throughout the same floor. This means a men's room can be right next door to a women's room. There are separate bathrooms for men and women on the floor.
