

# Information from DoIT: Resources for Learning and Working Remotely

Thursday, March 19, 2020

## [Resources for Learning and Working Remotely:](#)

### **University websites**

- [UW–Madison COVID-19 plans & response](#)
- [Instructional continuity](#)

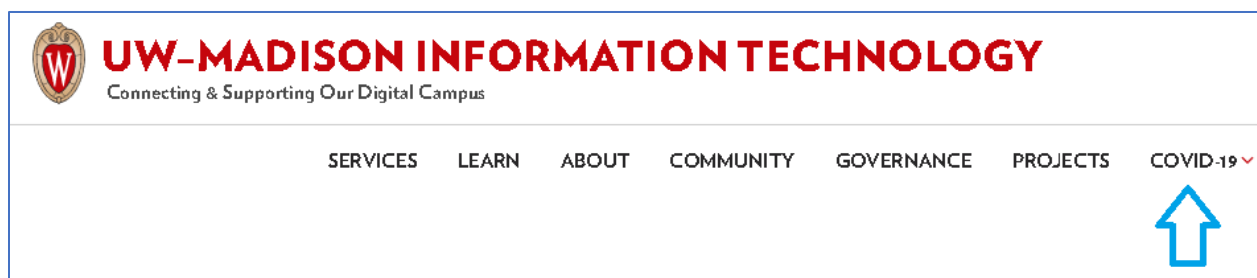

### **KB docs with technologies & tips**

- [Technology for working remotely](#)
- [Technology for learning remotely](#)
- [Home internet guide in Wisconsin](#)
- [WiscVPN overview](#)

### **Cybersecurity**

- [How to stay safe online while working remotely](#)

You can also start with [IT.wisc.edu](https://it.wisc.edu), and select COVID-19 from the toolbar for additional resources:

**Telecommuting documents** are being linked from a lot of places, including the [UW–Madison COVID-19 Plans and Response](#) website and here on the DoIT website as well.
