Register for StartUp’s Spring 2020 Seminar:

Social Entrepreneurship

Come learn about social entrepreneurship and purposeful philanthropy in our 1-credit, once a week community class conveniently located in the Sellery 2A Den!

This seminar teaches skills and knowledge relevant to students seeking to address social problems while launching or working with nonprofit organizations, for-profit social enterprises and more.

Small groups will identify, review, and determine which organizations in the Madison community to support with cash awards! You will get real-world grant making experience—not just case studies.

StartUp Spring Seminar is ALWAYS a good time!

TO REGISTER
