

UNIVERSITY RESIDENCE HALLS

COED ASSIGNMENT PATTERNS

We offer a variety of coed living options to accommodate various interests of students. These terms will explain the living options offered in the UW-Madison University Residence Halls.

Single Sex Floors

Entire floor is the same sex.

- Davis
- Kronshage
- Women in Science & Engineering (*WISE*) Learning Community in Kellogg, Pearson, and Troxell Houses in Waters

Coed Wings

Women and men live on the same floor, however, there is some division such as a stairwell, elevator lobby, or hallway door. Floors have two or three wings depending on the residence hall. There are separate bathrooms for men and women on the floor.

- Bradley Learning Community (*BLC*)
- Chadbourne
- Slichter
- Waters

Mixed Coed Floors

Women's and men's rooms are mixed up on the same floor and a men's room can be right next to a women's room. There are separate bathrooms for men and women on the floor.

- Adams
- Barnard (*except 1st floor*)
- Cole
- Dejope
- Leopold
- Merit
- Phillips (*bathrooms in room*)
- Sellery
- Sullivan
- Tripp
- Witte

Coed Clusters

Women and men live on the same floor in clusters of 3-4 rooms. The entire cluster is the same sex and has its own bathroom. Floors have multiple men's and women's clusters.
