When Lessee vacates the apartment due to lease termination, expiration or transfer, an inspection report on which the condition of the apartment is noted will be signed by a Division representative and the Lessee, if present. Lessee is not required to be present at the check-out, but must follow current check-out procedures as provided in the Division's "Move Out Guide" <https://media.housing.wisc.edu/documents/university-apartments/UA-Move-Out-Guide.pdf> Lessee is responsible for removing all personal items and cleaning the apartment to Division standards, including all fixtures and equipment before vacating. Damages or unclean conditions not immediately apparent and therefore omitted from the inspection report will not preclude the Division's charging the Lessee for subsequently required repairs or cleaning if the conditions requiring such tasks to be performed were clearly Lessee's responsibility.

**29. LESSEE'S PROPERTY**

The Division shall, without liability, have the right to immediately remove and dispose of any property Lessee leaves in the premises with 30 days notice after the Lease is terminated or the Lessee vacates or abandons the premises. During such 30-day period, the University of Wisconsin-Madison, the Division, and its officers, employees and agents are not responsible for loss, damage, or theft of the property. A charge will be assessed for removal/handling of Lessee's property in addition to a storage charge.
