SUMMER FUN WITH ART CART
The Art Cart will be visiting the Eagle Heights Community Center on July 24, from 9 a.m. to noon.

Art Cart and Art Cart EXTRA! are free outdoor art programs that travel to parks, playgrounds, and beaches across Dane County in the summer.

Kids can receive instruction and a relaxed attitude to make art outdoors. Children ages 3 and above are welcome with an adult. Families can drop in with no preregistration necessary. Summer camps and other childcare programs must pre-register for Art Cart’s weekday sessions at 608-204-3021.

The Art Cart will return to the Community Center on August 9, from 1 p.m. to 4 p.m.
For more information, visit: [www.mscr.org/our-programs/youth-arts-enrichment/art-cart](http://www.mscr.org/our-programs/youth-arts-enrichment/art-cart).
All parents eventually have to decide to leave their child home alone for the first time. Maybe you need to run to the store for a few minutes or work during after-school hours. As parents, you need to be sure if your children have the skills and maturity to handle the situation safely. Being trusted to stay home alone can be a positive and maturing experience for a child, but you should be sure they are prepared and confident enough to do so.

Here are some important tasks and questions you should consider before deciding the time is right to leave your child unsupervised by an adult.

1. Is your home and neighborhood safe?
2. Is there a trusted adult nearby who can assist if the child needs help?
3. Is your child **physically** ready to be unsupervised? Can they...
   a. lock/unlock the doors of your home?
   b. perform basic tasks such as making a sandwich, use the telephone, write a message?
4. Is your child **mentally** ready to be unsupervised? Do they...
   a. know how to reach you by cell phone or office number?
   b. tell time?
   c. understand “stranger danger” and know what to do if someone comes to the door?
5. Is your child **emotionally** ready to be unsupervised? Do they...
   a. feel confident and secure when alone?
   b. seem willing to be without an adult?
   c. know how to handle fear, loneliness, boredom?
6. Is your child **socially** ready to be unsupervised? Do they…
   a. talk easily to you about what happens at school and about their feelings?
   b. feel confident enough to contact another adult if there is a problem?
   c. know the names and numbers other trusted adults if they need help?

Talk about these issues and any others with your child before deciding to leave them unsupervised. Go through “what if…” scenarios like if someone comes to the door or what to say to someone on the telephone if they ask for a parent. Make sure all important contact information is available to them and establish the rules, limits, and duties for the child while you are away.

Please contact me if you have any questions about this or anything else.

**Officer Terry Evans, University Apartments Community Officer**

608-265-5717 or 608-262-2957
The Resident Manager team is made up of seven staff members who live in the community. They have many responsibilities, but being on-call is what they are most known for, and is one of the largest parts of their job as RMs. You can reach the RM on-call (available 5:30 p.m. to 8 a.m. on weekdays and 24 hours on weekends and university observed holidays) by calling or texting 608-444-9308. Due to reception concerns, texting is typically more reliable.

The RM on-call helps residents with a variety of issues including lockouts, emergency maintenance concerns, rentals at the Community Center and answering questions. In the past year (May 2017 through May 2018), they have responded to more than 1,300 calls and texts from residents. With that much experience, we’ve come up with a few tips and helpful hints we’d like to share.

**TO PREVENT A MAINTENANCE EMERGENCY**

Let us know when things break by filling out an online form for routine repairs (like slow leaks or drips, broken blinds, bent curtain rods, loose cabinets, etc.) as soon as you notice it. This allows us to address it before it grows into a bigger problem. You can find that form here: [www.housing.wisc.edu/apartments/maintenance](http://www.housing.wisc.edu/apartments/maintenance). If it is a maintenance emergency, like an overflowing sink, clogged toilet that you cannot plunge yourself, or a fire alarm sounding, please call us.

**TO HEAR LESS “CHIRPING”**

Chirping is what happens when smoke or CO2 detector batteries go bad. We actually offer free batteries to residents at the Community Center. When you hear chirping, you can call an RM (after office hours) to come replace the battery; you could also get and keep one or two batteries at home so you can change them yourself as needed. Of course, if you don’t feel comfortable doing it or don’t know how to, please call us. We are happy to come help.

**TO REDUCE KITCHEN SINK CLOGS**

Garbage disposals (the thing in the sink that collects food particles and chops them up) are meant only for small particles of food, like crumbs from when you wash your dishes. Please place larger food in the garbage before running your disposal. It will run more effectively and be less likely to clog or back up into you or your neighbor’s apartment.

**TO AVOID LOCKOUTS**

Always check that you have your keys when you leave your apartment. If you do realize that you have left your keys at home or in your office, try to make arrangements before you get home by calling your roommate (if you have one) to see if they will be home. If you cannot make other arrangements and the Community Center office is closed, call or text the RM on-call and they will meet you as soon as they can.

During office hours, you can come to the Community Center and we will lend you a spare key to your apartment. You will need to show ID to staff to be let in to your apartment or to get a spare key. It is worth noting that if UA Staff enter your apartment when you are not home (which we only do to fulfill maintenance requests or in emergencies), we will lock the door behind us. You should always lock your door, but even if you choose not to, we recommend that you take your keys in case we lock it for you.

In addition to being on-call after hours and weekends, RMs also live in and serve specific areas of the community, which you can see below. You can contact your RM for non-urgent issues. If you have an idea for a neighborhood or community event; questions or concerns about parking, laundry, or quiet hours; Information about campus, the larger Madison community, etc. If it’s an issue that needs immediate attention between 5:30 p.m. and 8 a.m. on weekdays and 24 hours on weekends and university observed holidays, call or text the RM on-call at 608-444-9308.

To summarize, the staff at University Apartments is here to help you. Please let us know how we can help you. When RMs are not on-call the staff in the Community Center can help too! You can stop by the Community Center office for assistance. We are open 7:45 a.m. to 5:45 p.m. Monday through Friday, and later on Wednesdays until 7:45 p.m. On Saturdays, the office is open from 9:30 a.m. to 12:30 p.m. You can also call the office at 608-262-3407.

Community Center staff can answer anything you might call an RM for, and they can also help with lending you equipment like moving carts; helping you acquire a paid-parking pass if you have an additional car; sending a work request; suggesting fun events for you at the Community Center or around town; getting you a battery for your smoke or CO2 detector; and any other questions you may have.

IN YOUR BACKYARD: BIOCORE PRAIRIE EXPERIENCE FIELD TRIP SET

Seeking to provide a space for outdoor learning, Biocore staff and students embarked on a journey to restore 11 acres of prairie on abandoned agricultural fields in what is now the Lakeshore Nature Preserve. The prairie, now 20 years old, boasts over 110 native plant species including two that are endangered. The prairie serves as a living laboratory for UW students. By sowing seeds, planting native seedlings, eradicating weeds, and even helping with prescribed burns, Biocore students have served as stewards to a valuable habitat.

Not only has this place become a hub for learning, it is now home to many species of birds, butterflies and bees.

On July 14, the Friends of Lakeshore Nature Preserve will host an event to explore this unique area of the preserve. The field trip will begin at 9 a.m. at UW Parking Lot 129 by the entrance to Picnic Point and will continue until 11 a.m.

Seth McGee, lab manager of the Biocore Program, will lead the trip. He has spent countless hours working on this plot of land and is extremely knowledgeable, and is ready to answer all of your questions!

The field trip is free, open to the public, kid-friendly, and a great opportunity to learn about natural areas in your community. To all those who wish to attend: don’t forget to dress for the weather.

ENCOURAGE CURiosity AT MUSEUM

School may not be in session, but your child can still learn and have fun while doing it.

The Madison Children’s Museum is open seven days a week from 9:30 a.m. to 5 p.m. during the summer.

There are special events and programs throughout the year, as well as the exhibits.

For more info visit: madisonchildrensmuseum.org.

ROOFTOP MUSIC WITH A VIEW

Head to the Pyle Center's Rooftop Terrace this summer for music and views of Lake Mendota.

The musical events will be every third Thursday and there is no charge. The concerts, from 4 p.m. to 7 p.m., will take place rain or shine (in the event of rain, it will be moved to a location within the Pyle Center).

There will also be appetizers and a cash bar.

On July 19, the Midwest Gypsy Swing will be performing; on August 16, Sparks and on September 20, it is Crosstown Drive.

For more information, call the Pyle Center’s front desk at (608) 262-1122.
Laundry is personal. Everyone does it, and everyone has their own thoughts on how it should be done and it is one of the most common disputes between neighbors in our community. In an effort to help eliminate conflicts, below are our community expectations regarding laundry room usage:

- Laundry should be done between the hours of 8 a.m. and 10 p.m., (because quiet hours are from 10 p.m. to 8 a.m.).
- Remove your laundry promptly, so others can use the machines without having to handle your items.
- Be respectful of other people’s belongings. Never put someone else’s clothes on the floor. Don’t remove clothes before a cycle is complete.

TAKE CARE OF OUR MACHINES BY FOLLOWING THESE GUIDELINES

- Never use dye in the washer.
- Remove lint from the lint tray after using the dryer.
- Leave machine doors open after use to prevent mildew.
- Do not overfill the machines. Overfilling the machines does not allow them to work efficiently and causes wear over time.
- UA machines are High Efficiency (HE), which means you should use detergents labeled High Efficiency. If you are using standard detergents, you can use less detergent to accommodate the HE machines.
- When washing small items (baby socks, wash cloths, etc.), please use a garment bag to corral them so that they don’t get lost.

Please help keep the laundry room clean. You can help keep the laundry room clean by wiping/sweeping spills, picking up trash, recyclables, or lint and wiping the machines or other hard surfaces. Finally, if something is broken, please let us know by filling out a request online (http://repairs.housing.wisc.edu) or by calling the Apartment Facilities Office at 608-262-2037. Please be sure to include what number is on the unit that is not working (numbers are posted on each individual machine). If you have time, please post an “Out of Order” sign on the machine so that others know it’s not working properly.

IS IT OKAY TO REMOVE OTHER PEOPLE’S CLOTHES FROM THE MACHINES?
If someone leaves their items in the machine for a long time, it is OK to remove them. We ask you to be respectful when handling someone else’s items, and only do it when you have given them time to come collect them on their own. If you do not want people to touch your items, we recommend setting a timer and being early to get your items out of the machine.

CAN PEOPLE WASH THEIR SHOES IN THE MACHINES?
If your shoes are labeled as machine washable, then it is okay to wash them in the machines. In general, if you have items that are labeled as “machine washable,” it is okay to wash them in our machines.

CAN PEOPLE WASH UNDERGARMENTS IN THE SHARED MACHINES?
Yes. We expect that people will need to wash their undergarments, and it is fine to wash them here at UA.

CAN PEOPLE WASH REUSABLE/CLOTH DIAPERS IN THE MACHINES?
Remove all solids and flush them down the toilet. Rinse diapers before putting them into the machine. Be sure not to overfill the machine, as this may it to not work effectively, thus your diapers may not become fully clean.

CAN PEOPLE WASH COMFORTERS, QUILTS, AND OTHER LARGE ITEMS IN THE MACHINES?
If the item is machine washable, and fits in a standard size load, then yes. If the item is large or bulky, we recommend going to a local laundromat to use a larger, industrial size machine.

IS IT OK FOR PEOPLE TO STORE THEIR LAUNDRY EQUIPMENT (DETERGENTS, BASKETS, ETC.) IN THE LAUNDRY ROOM?
Some people choose to do this, and that is fine. We are not responsible for lost, damaged, or stolen items.

If you have questions, comments, or suggestions about laundry, please contact the Resident Manager assigned to your area.
This summer I am using a gardening method called Square Foot Gardening. Mel Bartholomew created this method and has been teaching it on PBS for decades. Thirty years ago when my children were young and keeping a garden turned out to be a foolish dream every summer by July 15, I stumbled upon Mel’s program. I have long ago given up the fantasy of a huge garden, and if you are looking to produce bushel baskets full of various fruits and vegetables for canning, freezing or drying this is not the method for you.

However, if you see gardening as more of a hobby or you are new to it, one of Mel’s promises is that a simple 4-foot by 4-foot raised bed, framed by untreated lumber, can give a household of two fresh veggies on the table for an entire summer.

This summer, Bill and I are sharing our home with my oldest son so we constructed three boxes for our yard. We are using two for edibles and the third as an incubator for perennial flowers. As the perennials get too big for their squares, we intend to move them around in our yard. This requires a 3-to 5-year year vision. It’s a good practice in delayed gratification, something in which I could use some more experience.

As you can see in the photo, these gardens are looking full and lush. We built the cages because we live on the edge of a wildlife preserve and the rabbits were eating everything. Problem solved except for the chipmunks who keep burrowing in and eating the sunflower plants from the roots up to the surface.

It appears to me that green beans and potatoes are going to be ready soon! Here is a recipe that uses both in a style of cooking that’s been handed down by my German ancestors for a long time.

GERMAN GREEN BEAN SKILLET
6 slices of bacon, chopped
3 T butter
1 red onion, chopped
2 lbs fresh green beans, trimmed and cut into 2” pieces
8 small new potatoes, diced
¼ c chicken broth
2 t white vinegar
1 t sugar
Salt and pepper to taste

Cook bacon in heavy skillet until evenly browned, 8-10 minutes. Drain on paper towel. Melt butter in same skillet (wipe excess bacon grease out first), sauté’ onion until translucent. Stir in beans, potatoes and chicken broth. Cover and simmer for 10 minutes until beans and potatoes are tender. Stir in vinegar, sugar, salt, pepper. Adjust these four items to your own taste. I like that vinegar/sugar balance to lean toward sweet.

With plenty of new faces joining the community, here are some reminders for things to improve everyone’s experience.

STAY GROUNDED WITH THE GROUNDS DEPARTMENT

PARKING
- Make sure you read your parking policy to avoid a citation.
- If leaving for the summer make sure we can move your vehicles to do parking lot maintenance.
- All vehicles must have a base lot sticker in the side window.
- School is out, please drive slow and watch for children.
- On Haight Road, please do not pass UW vehicles by the Facilities Office (AFO). With more student workers, there are always people walking along the road and vehicles entering and exiting the AFO.

PROPERTY AND STORAGE
- Please read the storage policy you were provided with from your move-in packet.
- Property labels expired at the end of June, all property must have a new (blue) label. You can pick up your new property stickers at the Community Center.
- Please do not put labels on furniture as not all furniture may be kept outside.

BICYCLES
- We will start tagging bikes without labels or old, outdated labels on July 12. We will be removing bikes not labeled on July 19. Every year we collect a number of abandoned bikes, so please dispose of them.
- If you don’t want your bike, please donate it to a charity or put it by the dumpster.

GARBAGE
- Please put all garbage in the dumpsters and not on the ground. Only large furniture, appliances, or metal should be left on the ground.
- Clothes can be taken to the Community Center to go to charity. There are donation bins in the vending machine room off of the big gym.
- Books may be left by the small library in the front entrance of the Community Center. Please do not leave magazines or used coloring books, put those in the recycle dumpsters.
- Please pick up water bottles and food wrappers left behind as we need to keep the lawns clean for mowing.

MOVING
- Please do not drive on any grassy areas as it has been very wet and soft. If the grass is damaged by your vehicle, you could be billed for the damages.
SPECIAL EVENTS

FoodWIse Eating Smart & Being Active

Tuesday 10:00 am-12:30pm: July 24, July 31, August 7, August 14, August 21, August 28, September 4, September 11, and September 18.

Wednesday 1:30 pm-4:00pm: July 25, August 1, August 8, August 15, August 22, August, 29, September 5, September 12, and September 19.

Thursday 10:00am-12:30pm: July 26, August 2, August 9, August 16, August 23, August 30, September 6, September 13, and September 20.

As a part of the University of Wisconsin Extension (UWExtension) FoodWIse programing offers an evidence-based nutrition class, Eating Smart and Being Active. The content of the curriculum is based on the latest research findings from the 2015-2020 Dietary Guidelines for Americans and MyPlate. This class is funded through federal grants and it is free for families with children that are 18 years and younger. The class is available to pregnant moms, dads, grandparents and caregivers of young children.

Each class is about 2 hours and is designed to be taught in sequential order, building on previous lesson content. Activities include dialogue-based learning and hands-on activities. Lesson content includes physical activity, nutrition, healthy lifestyle choices, food preparation (cooking skill development), food safety, and food resources management. Pre-registering for the class via email is required. Kazoua Moua, e-mail: moua@countyofdane.com, phone 608-224-3644.

WEEKLY EVENTS

As always, we have many events happening in the Community Center. See below for a listing of weekly events.

**Mondays:**
- **Zumba**, 5:30-6:30 p.m.; Large Gym
- **Badminton**, 6:30-7:45 p.m.; Small Gym
- **Table Tennis**, 6-7:45 p.m.; Room 139

**Tuesdays:**
- **Bulgarian Folk Dance**, 6:15-7:30 p.m.; Small Gym

**Wednesdays:**
- **Basketball**, 6-7:45 p.m.; Large Gym
- **Insanity Workout**, 6:30-7:30 p.m.; Small Gym

**Thursdays:**
- **Volleyball**, 6-7:45 p.m.; Large Gym
- **Bulgarian Dance**, 6:15-7:45 p.m.; Small Gym

**Fridays:**
- **Yoga**, 5:45-6:45 p.m.; Small Gym

**Saturdays:**
- **Zumba**, 9:30-11 a.m.; Large Gym
- **Insanity Workout**, 9:30-10:30 a.m.; Small Gym

FREE BASKETBALL CAMP SET

A free basketball camp for children will be held in the large gym at the Eagle Heights Community Center from July 30 through Aug. 2. Each camper will receive their own basketball to keep and take home.

The schedule is: 5- to 6-year-olds, 9 a.m. to 9:45 a.m.; ages 7 to 10, 10 a.m. to 11:45 a.m.; and ages 11 to 14, 1 p.m. to 3 p.m.

VOLUNTEERS NEEDED

Are you interested in helping at the Community Center? Are you looking to be more involved with the University Apartments Community? If you answered yes to any of these questions we have the opportunity for you. We are looking for dedicated individuals that have a skill or hobby that they’d like to teach the community. Some opportunities could be: Beginner piano skills, arts and crafts for kids and adults, teaching another language, a beginner exercise class, a dance class for children, or any other opportunity. Please email uaevents@housing.wisc.edu or call the Community Center office if you are interested or have any questions.

**REQUEST REPAIRS ONLINE**

If something in your apartment doesn’t work, let us know right away. Repairs will be made even if you are not at home.

Night, weekend, and holiday repairs are only made in urgent situations. If you put in a repair request as soon as you notice a problem, it may keep the problem from getting worse at a time no mechanic is available.

When you need a non-emergency repair, use the Repair website. Only request one repair on each form. The Repairs webpage also has some instructions on small repairs you can make yourself. [www.housing.wisc.edu/apartments-maintenance-request](http://www.housing.wisc.edu/apartments-maintenance-request)

**TO CONTACT RESIDENT MANAGERS**

A Resident Manager is on-call from 5:30 p.m. to 8 a.m. on weekdays, and 24 hours a day on holidays and weekends. No Resident Manager is on Duty at other times, when the University Apartments Office (in the Community Center) is open.

Due to problems with cell reception (sometimes the Resident Manager on Duty is in a basement) the most efficient and effective way to contact the Resident Manager on Duty is sending a text. Texts or calls should be placed to 608-444-9308.

**CONTACT US:**

611 Eagle Heights  
Madison, WI 53705-1501  
608-262-3407  
[universityapartments@housing.wisc.edu](mailto:universityapartments@housing.wisc.edu)

**RENT A COMMUNITY CENTER ROOM**

[https://housing.ems.wisc.edu](https://housing.ems.wisc.edu)

Do you have an upcoming event? The Community Center has space for you! The cost is more affordable than many other locations, and it is easy to find out what space is available, and how much it would cost. If you have a UW NetID, you will sign in with that. If you do not have one, there is no problem! Sign in as a guest!

**CONTACT THE LEASING OFFICE**

[Leasing@housing.wisc.edu](mailto:Leasing@housing.wisc.edu)

Do you have a question for Peggy? Do you need to talk to Leasing for any reason? Email first! She will be able to answer your questions, or make an appointment for you. That way, you won’t be disappointed if she is already busy with other residents when you stop by.

Your lease, roommate policies, transfer and termination information, and more can be found on the University Apartments section of the Housing website. [http://www.housing.wisc.edu/apartments.htm](http://www.housing.wisc.edu/apartments.htm)

**EAGLE’S WING CHILD CARE**

[EaglesWing@housing.wisc.edu](mailto:EaglesWing@housing.wisc.edu)

Do you have questions about child care in the Community Center? We welcome any and all questions, comments and suggestions. Based on the topic, your email will be forwarded to the right person to answer your question. To put your child’s name on a waiting list for Eagle’s Wing and/or other campus child care, you can do so at: [www.housing.wisc.edu/EaglesWing](http://www.housing.wisc.edu/EaglesWing)
